

## Grand Hotel Europe 5\*

Planning a conference? A cocktail reception? Or a banquet?

We have great facilities, function rooms with a view and outstanding services.

Formulate your ideas of an exceptional organized event and of an individual extracurricular program and we will create the function tailored to your needs.

Our multifunctional conference and banqueting rooms offer flexible organizational possibilities. They are characterized by various arrangements and setup of rooms suitable for conferences and seminars, as well as for presentations and cocktail reception.

Our executive chef introduces a variety of interesting food concoctions for cocktail receptions and dinner functions (see same options of cocktail and banquet menus)
